

MUSIC (MUS)

MUS 1010 - Recital Attendance (0 Credits)

Attendance at 70% of the semester's performance lab, faculty, student or guest recitals or ensemble concerts, with a maximum of 14 per semester.

MUS 1201 - Diction I (1 Credits)

Fundamentals of English, Italian and Latin diction designed for vocal music students. Utilizes the International Phonetic Alphabet.

MUS 1360 - Intro to Music Technology (1 Credits)

This course introduces prevalent technologies used throughout all phases of the creative/musical process. After reinforcing fundamental principles of acoustics, we will explore how and why technology is crucial in realizing a sonic, expressive intent.

Prerequisite(s): MUT 1111

MUS 2202 - Diction II (1 Credits)

Fundamentals of German and French diction designed for vocal music students. Utilizes the International Phonetic Alphabet.

Prerequisite(s): MUS 1201

MUS 3953 - Junior Recital (0-1 Credits)

Public performance in student's principal applied medium. Junior recital (25 -30 minutes of music). Co-requisite or prerequisite: One semester of Junior Applied lessons in the principal applied medium with a minimum grade of C. MVX 3XXX.

Prerequisite(s): MVB 3431 (may be taken concurrently) or MVB 3432 (may be taken concurrently) or MVB 3433 (may be taken concurrently) or MVB 3434 (may be taken concurrently) or MVB 3435 (may be taken concurrently) or MVK 3231 (may be taken concurrently) or MVP 3431 (may be taken concurrently) or MVS 3431 (may be taken concurrently) or MVS 3432 (may be taken concurrently) or MVS 3433 (may be taken concurrently) or MVS 3434 (may be taken concurrently) or MVS 3435 (may be taken concurrently) or MVV 3331 (may be taken concurrently) or MVW 3431 (may be taken concurrently) or MVW 3432 (may be taken concurrently) or MVW 3433 (may be taken concurrently) or MVW 3434 (may be taken concurrently) or MVW 3435 (may be taken concurrently)

MUS 4910 - Directed Independent Study (1-3 Credits)

Provides an opportunity for students to engage in research of their choice in special areas of interest. May be carried out on an individual or group basis but must be under the supervision of the instructor. Junior standing required.

Prerequisite(s): MUT 2117 and MUT 2247

MUS 4920 - Senior Capstone in Music (3 Credits)

Senior capstone course involving a variety of performance, research and/or service activities to provide an integrative experience within the discipline of music.

Prerequisite(s): MUT 2117 and MUT 2247

MUS 4930 - Special Topics in Music (1-3 Credits)

Special Proposals for music topics not in current offerings.

MUS 4940 - Internship in Music (9 Credits)

This full-time, sixteen-week internship provides music education majors with the opportunity to apply and refine instructional skills in a PK-12 classroom under the guidance of mentor teachers and university supervisors. Interns assume increasing responsibility for planning, teaching, and assessing student learning. The experience includes three integrated components: classroom teaching, performance evaluation, and reflective practice. This course is taken concurrently with MUE 4939 Senior Capstone in Music.

Prerequisite(s): MUE 2040 and MUE 3311 and MUG 3104 and (MUG 3204 or MUE 4492) and (MUE 4344 or MUE 3331) and EDF 2005 and RED 4350 and TSL 4520 and MVK 2122

Corequisite(s): MUE 4939

Attribute(s): WBLI - Work based learning indicator

MUS 4954 - Senior Recital (0-1 Credits)

Public performance by seniors in student's principal applied medium. Senior full recital (50-60 minutes of music) required of Bachelor of Arts in Music (Performance) candidates. Co-requisite or prerequisite: One semester of Senior Applied lessons in the principal applied medium with a minimum grade of C. MVx 4XXX.

Prerequisite(s): MVB 4441 (may be taken concurrently) or MVB 4442 (may be taken concurrently) or MVB 4443 (may be taken concurrently) or MVB 4444 (may be taken concurrently) or MVB 4445 (may be taken concurrently) or MVK 4241 (may be taken concurrently) or MVP 4441 (may be taken concurrently) or MVS 4441 (may be taken concurrently) or MVS 4442 (may be taken concurrently) or MVS 4443 (may be taken concurrently) or MVS 4444 (may be taken concurrently) or MVS 4445 (may be taken concurrently) or MVV 4341 (may be taken concurrently) or MVW 4441 (may be taken concurrently) or MVW 4442 (may be taken concurrently) or MVW 4443 (may be taken concurrently) or MVW 4444 (may be taken concurrently) or MVW 4445 (may be taken concurrently)
