

GRADUATE ACADEMIC POLICIES

Academic Standards of Behavior

FGCU is committed to a policy of honesty in academic activities. Conduct that breaches this policy, including cheating, plagiarism, and falsification of university records, shall result in academic and/or disciplinary action. Regulation 4.002, Student Code of Conduct and Student Conduct Review Process, is a part of the terms and conditions of admission and enrollment and applies to all undergraduate students, graduate students, and student organizations.

Academic Standing/Academic Progress

Colleges, schools, and departments have established regulations governing academic standing and academic progress at the graduate level. It is the student's responsibility to become familiar with unit regulations and program requirements.

General Graduate Academic Policies
