

SUPPLY CHAIN MANAGEMENT (B.S.)

Program Description

The Bachelors of Science (B.S.) in Supply Chain Management (SCM) degree program will develop human potential in the field to World-Class levels, to meet the needs of our students and society, on a local, regional, national and international level. Under the umbrella of Supply Chain Management resides occupations in the functional arenas of operation management, procurement and strategic sourcing, and logistics management. The SCM program curriculum emphasizes a balanced and holistic approach to integrated supply chain management. Students graduating in this major will have a competitive advantage seeking employment due to the depth of the core knowledge requirements in the areas of purchasing, strategic sourcing, logistics, transportation, global supply chain management, operations excellence, analytics, enterprise resource planning and team building. Our program will distinguish itself locally, nationally, and internationally, with the inclusion of core knowledge regarding ethical decision-making and sustainability in the field of supply chain management. Ethics and sustainability are growing in importance to leading-edge firms as they execute global sourcing strategies within the auspices of Social Responsibility.

Program Progression and Additional Graduation Requirements

Degree-seeking students are classified as pre-majors prior to formal transition into a Lutgert College of Business (LCOB) major. As pre-majors, students may enroll in lower division (1000-2999 level) courses to satisfy general education and common prerequisite requirements; lower level electives; and business common core courses, except GEB 4890 Business Strategy, if course prerequisites are met. Pre-majors may not enroll in upper division (3000-4999 level) courses for the major.

Transition from a LCOB pre-major to a major happens following (a) completion of all common prerequisites with a minimum grade of C or higher in each course; and (b) completion of 50 earned credits with a minimum FGCU GPA of 2.0.

For timely degree completion, FTIC (First Time in College) students are expected to complete the following:

- MAC 1105 College Algebra with a minimum grade of B (or relevant accelerated credit or placement exam), ECO 2023 Principles of Microeconomics or ECO 2013 Principles of Macroeconomics with minimum grade of C, one additional common prerequisite, and an overall 2.4 FGCU GPA within one calendar year from admission.
- Four common prerequisites by the end of the third semester (excluding summer) from admission
- Seven common prerequisites and an overall 2.7 FGCU GPA by the end of the fourth semester (excluding summer) from admission
- FIN 3403 Business Finance with minimum grade of C by the end of the sixth semester (excluding summer) from admission

For timely degree completion, transfer students are expected to complete the following:

- Seven common prerequisites and an overall 2.7 FGCU GPA by the end of the third semester (excluding summer) from admission

- FIN 3403 Business Finance with minimum grade of C by the end of the fifth semester (excluding summer) from admission

Students should refer to the Degree Map for milestone information. Degree maps for each major can be found at <https://www.fgcu.edu/cob/>.
