

ACADEMIC LEARNING COMPACTS

Consistent with its mission and guiding principles, Florida Gulf Coast University is committed to academic excellence and continuous quality improvement, as supported by a sound teaching-learning process. Within this process, students and instructors share responsibility for learning that is a movement from the simple to the complex, the concrete to the abstract, and the dependent to the independent. The Academic Learning Compact (ALC) initiative supports the teaching-learning process by clearly identifying expected core student learning outcomes in the areas of content/discipline knowledge and skills, communication skills, and critical thinking skills; aligning curricula with expectations; and using assessment to guide continuous improvement.

Each baccalaureate degree program's ALC can be accessed through <https://www.fgcu.edu/acs/academiclearningcompacts> (<https://www.fgcu.edu/acs/academiclearningcompacts/>).
