

UNIVERSITY ADVISING SERVICES

University Advising Services professional staff of Academic Advisors and Student Success Counselors provide academic advising to undergraduate first-time-in-college (FTIC) and transfer students.

Academic advising at FGCU is a holistic, developmental process that is designed to assist students in articulating their academic goals, selecting a major that is the best fit with academic interests and abilities, envisioning a career path to connect the major to the world of work, and taking the necessary steps to ensure academic success and timely graduation.
